Second grade is a time of blossoming independence. As parents you can support this growth in two major areas:

1. **Morning Routine:** It is imperative that your child attends school on time every day. This allows children to shift their focus to the day ahead and gives teachers the opportunity to welcome students with their full attention.
2. **Homework:** Your child will receive a homework- newsletter every Monday. It will contain important information and assignments. Your child must read every night, practice math facts, study vocabulary words, and complete other assignments that enhance the learning taking place in the classroom. Please check your child's assignments daily, but allow him or her to take responsibility for doing the work.

. We look forward to building a successful partnership with you over the school year! Again, we are looking forward to servicing your child and working with you our most valued partner.

Sincerely,
Second Grade Team
